ADRENALINE

By Jeff Abbott

Phenomenal Advance Praise for ADRENALINE:

“[an] outstanding tale of high intrigue...Abbott (*Panic*), displaying a greater mastery of the genre than in previous books, hits full stride early on and never lets up. Readers who thrive on a relentless narrative pace and a straight line to the finish won't be disappointed.”

- Publishers Weekly (STARRED)

“...Abbott's style tumb[le]s from page to page with the frantic inevitability of Robert Ludlum...It all works beautifully if you don't stop and think about it, which you won't want to, anyway.”

- Booklist

“...thrilling...”

- New York Daily News

“...nail-biting...”

- Austin Chronicle

“[an] action packed thriller...”

- Suspense Magazine

From international bestselling author **Jeff Abbott** comes the breakout thriller of summer 2011:

ADRENALINE (Grand Central Publishing Hardcover; July 1, 2011; \$24.99), a new series featuring ex-CIA agent Sam Capra.

In **ADRENALINE**, Sam Capra - brilliant CIA agent, loving husband, soon-to-be father - loses everything that matters to him in a horrifying moment in London. An unknown enemy has set him up as a traitor. However, that enemy has targeted the wrong man. Escaping from the CIA, Sam goes on a desperate hunt for the killer who stole his family and to save his kidnapped wife and child. But the destruction of Sam's life was only step one in an extraordinary plot - and now Sam must become a new kind of hero.

~ continued ~

Harlan Coben calls **ADRENALINE** “exhilarating, and confirms Jeff Abbott as one of the best thriller writers of our time.” Laura Lippman said that “**ADRENALINE** provides the high-octane pace one expects from a spy thriller, while grounding the action with a protagonist that anyone can root for...”

ADRENALINE marks a significant change in direction for Abbott. His previous thrillers have all been stand-alones, featuring ordinary men and women thrown into extraordinary situations. Sam Capra is a modern character who has the training and the ability to travel the world but is operating on his own, with an interesting and evolving cast of characters.

About the Author

Jeff Abbott is the international-bestselling, award-winning author of twelve mystery and suspense novels. He is published in over twenty languages and has been a bestseller in the US, the UK (where he has sold over a half-million books), Ireland, France, Germany, Australia, Portugal, and other countries.
